Thousand Oaks Little League  
10 U All Star Team  
So Cal Division III Tournament Champions

On behalf of your District 13 Staff I would like to congratulate the coaches and players on this magnificent achievement. An undefeated tournament season where your team eliminated the best 10U baseball players in Southern California. As for the numbers, that's 10 Sections, averaging 4 districts per section, 8 leagues per district, 12 kids per team, or roughly 4000 players.

It was our pleasure to watch you win the District and Section championships on your home field at Colina and then to anxiously follow GameChanger during Division play.

The last time this was done in our District was the 2004 by Conejo Valley LL players and they went on 2 years later to claim the US Championship in the World Series at Williamsport. Coaches and players please stick together in TOLL. There is no better youth sports program than Little League. We all will be rooting for history to repeat itself.

Sincerely

Roger Lazar
